READ THIS ENTIRE FORM CAREFULLY

THE PURPOSE OF THIS FORM

The purpose of this form is to explain the choice you have regarding your bodily injury liability insurance protection and to assist you in making that choice. Read this form carefully because the choice you make will have financial consequences.

PART A: BODILY INJURY LIABILITY INSURANCE COVERAGE EXPLAINED

Bodily injury liability insurance covers claims made against you for injuries to others if you are at fault in an auto accident. Michigan auto insurance policies are required to provide bodily injury liability insurance coverage of not less than \$250,000 per person and up to \$500,000 per accident (" \$250,000/\$500,000") for these claims unless you select higher or lower limits depending on the amount of protection you need. In no event can you select less than \$50,000 per person and \$100,000 per accident. If you do not make a selection, your policy will be issued with limits of \$250,000/\$500,000.

If you want bodily injury liability coverage limits of \$250,000/\$500,000 or more, you do **NOT** need to complete this form.

PART B: INCREASED RISKS WITH LOWER BODILY INJURY LIABILITY INSURANCE COVERAGE LIMITS

If you are responsible for injuries to another person, you may be liable for damages for their pain and suffering, as well as the costs of their medical and other care that exceed their coverage under their auto insurance policy. The bodily injury liability limit of your policy will pay for such damages, but only up to the amount of the limit you choose. You will be required to pay any amount over the limit you choose. This amount could be substantial and may lead to severe financial consequences, such as:

- Your assets may be seized, or a lien may be placed on your home;
- Your wages may be garnished; or
- Your driver's license may be suspended.

Selecting lower bodily injury liability insurance coverage limits may also affect your eligibility for an umbrella policy.

PART C: CONFIRMATION OF UNDERSTANDING - YOU MUST READ AND INITIAL EACH LINE

(Initials) I have received a list of all the bodily injury liability coverage options available to me and the price for each option.

(Initials) I understand that any bodily injury liability coverage election I make applies to me and any other person covered by this policy.

(Initials) I understand that the bodily injury liability coverage limits I choose will remain the same as long as the policy is in effect or until I change them.

BY SIGNING THIS FORM, I ACKNOWLEDGE THAT: (1) I HAVE READ THIS FORM OR HAD IT READ TO ME; (2) I UNDERSTAND MY CHOICES AND THE POTENTIALLY SEVERE RISKS DESCRIBED ABOVE; AND (3) I AM CHOOSING TO PURCHASE BODILY INJURY LIABILITY COVERAGE LIMITS LOWER THAN \$250,000/\$500,000.

READ THIS ENTIRE FORM CAREFULLY

THE PURPOSE OF THIS FORM

The purpose of this form is to explain the choice you have regarding your Personal Injury Protection medical (**PIP medical**) coverage and to assist you in making that choice. Read this form carefully because the choice you make will have financial consequences.

Definitions for all terms in bold type on this form have been provided on the next page.

This form is divided into four sections, which are described below.

- Section A will review your PIP medical coverage options and the risks and benefits of each option.
- Section B will ask you to choose ONE coverage option.
- Section C will allow you to identify additional excluded persons not listed in Section B (Option 4 only).
- Section D will ask you to certify your choice and acknowledge the information within this form.

Personal Injury Protection (PIP) Coverage Explained

Personal Injury Protection (PIP) pays allowable expenses for a covered person's care, recovery, rehabilitation, wage loss and replacement services. PIP coverage also includes some funeral expense benefits and survivor's benefits, which are paid to a covered person's dependents if injuries from an auto accident result in their death. This form allows you to select the level of **PIP medical** coverage you want included with your auto policy.

NOTICE

You must choose the level of **PIP medical** coverage you wish to have under your auto policy. If you do not make a **PIP medical** coverage selection from the options listed:

- Your policy may be issued with unlimited **PIP medical** coverage; AND
- You will be charged the appropriate premium for the coverage issued.

If you are renewing an expiring policy that includes a **PIP medical** coverage selection of unlimited (Option 1), \$500,000 per person per accident (Option 2), or \$250,000 per person per accident with no excluded persons (Option 3), your policy will be issued with the same **PIP medical** coverage as your expiring policy.

Qualified Health Coverage Proof Requirements

All policies with a **PIP medical** coverage selection of \$250,000 with some or all persons excluded (Option 4) OR \$50,000 per person per accident (Option 5) OR No **PIP medical** coverage (Option 6) must provide current updated documentation every year for Medicaid, Medicare, or other **qualified health coverage** as applicable to the chosen coverage. If you do not provide the documentation AND:

- Your **PIP medical** coverage selection is \$250,000 with some or all persons excluded (Option 4), your policy will be issued with \$250,000 **PIP medical** coverage with no excluded persons (Option 3) and you will be charged the appropriate premium for this coverage.
- Your **PIP medical** coverage selection is \$50,000 per person per accident (Option 5) OR no **PIP medical** coverage (Option 6), your policy will be issued with unlimited **PIP medical** coverage (Option 1) and you will be charged the appropriate premium for this coverage.

Proof of Medicaid coverage may be in the form of a current Medicaid ID card or a letter from the Michigan Department of Health and Human Services.

Section A: Your PIP Medical Choices and the Risks and Benefits of Each	
Option 1: Unlimited Coverage This option provides the most coverage. It will pay for all allowable expenses for your care, recovery, and rehabilitation if you are injured in an auto accident.	
Risks	The premiums for this option are higher than premiums for other options.
Benefits	PIP medical will cover costs that may not be covered by health insurance, such as rehabilitation and attendant care . This choice will significantly limit the risk that you will have out-of-pocket costs for your care.
Option 2: Limited Coverage of \$500,000 per person per accident or Option 3: Limited Coverage of \$250,000 per person per accident If you choose one of these limits, this amount is the most your auto insurance company will pay per person per accident for an injured person's expenses under PIP medical coverage. NOTE: If you choose Option 2 or Option 3, your insurance company must offer excess attendant care coverage, which you may purchase for an additional premium. Check with your agent or company for additional information.	
Risks	Limited PIP medical coverages may not be enough to cover your medical expenses. If your PIP medical limit is reached, you may need to rely on other health coverage, which may not cover all medical, rehabilitation or attendant care costs. If you do not have other health coverage, you may be personally responsible for paying these expenses.
Benefits	Lower coverage limits have less expensive premiums than plans with higher or unlimited PIP medical coverage. Up to the limit chosen, PIP medical will cover the cost of products and services that may not be covered by health insurance, such as rehabilitation and attendant care .
Option 4: Limited Coverage of \$250,000 per person per accident with some or all persons excluded You may select this option if both of the following are true: - The applicant or named insured has qualified health coverage that is not Medicare; AND - Each spouse or resident relative excluded from PIP medical has qualified health coverage. Anyone who is excluded will have no PIP medical coverage. A person listed as excluded in Section B of this form will only be excluded if proof of qualified health coverage is provided for that person. Any person who is not excluded will be limited to \$250,000 in PIP medical coverage and will be charged the appropriate premium for this coverage. NOTE: If you choose this option, your insurance company must offer excess attendant care , which you may purchase for an additional premium. This coverage is only available to those who are not excluded from PIP medical coverage. Check with your agent or company for additional information.	
Risks	ANYONE YOU EXCLUDE WILL NOT HAVE PIP MEDICAL COVERAGE. In addition: - Persons relying on qualified health coverage to pay for auto accident injuries should be aware that, unlike auto insurance, health insurance stops paying when the policy ends or is canceled. - If any excluded person loses qualified health coverage, you must notify your insurer within 30 days of loss of coverage. - Within 30 days of losing qualified health coverage, if an excluded person is injured in an auto accident, coverage will be provided by the Michigan Assigned Claims Plan up to \$2,000,000 if they have no other qualified health coverage or PIP medical coverage. - A person who has not obtained qualified health coverage or PIP medical coverage within 30 days of the loss of qualified health coverage will not be entitled to any PIP medical benefits.
Benefits	You will pay a reduced premium because you will not be charged a premium for PIP medical coverage for anyone who is excluded.

Section B: PIP Medical Coverage Options and Certification

INITIAL ONE AND ONLY ONE option on the line next to your choice. Make your selection carefully because the choice you make will have financial consequences. If you choose more than one option, your insurer will provide you with the option that has the highest level of benefits and will charge the appropriate premium for that option.

PLEASE NOTE: REGARDLESS OF WHICH OPTION YOU SELECT, THE FOLLOWING APPLIES.

If you are involved in an accident and the driver of another insured vehicle was more than 50% of the cause of the accident, you may sue that driver to recover your deductible amount or collision damages up to \$3,000. The action must be commenced, whenever legally possible, in the small claims division of the district court or the municipal court. If the driver is found to be at least 50% but less than 100% the cause of the accident, the award to you may be reduced by the percentage of which you were the cause of the accident. The Company is not responsible for filing the suit on your behalf, and the other driver's insurance company may not be responsible to pay any award to you on behalf of the other driver.
